Dear Sir or Madam:

I absolutely love the WB. I love all the shows you have on the WB. I used to just watch 7th Heaven, Sabrina, Reba and once in a while Friends, but now I am hooked on so many other shows! My best friend got me hooked on Charmed. I never miss an episode of Charmed, Gilmore Girls, Smallville, Sabrina or 7th Heaven. I got hooked on Gilmore Girls by I was bored one night so I watched an episode and now I love the show. When you started the show Smallville I saw the first episode and have never missed an episode since.

I hope you continue all these shows for a long time. I also compliment all the writers. Even though you can sometimes predict what will happen (at least on Charmed and Gilmore Girls) all the shows are still so incredibly good. Just some questions: on Sabrina will Sabrina ever tell Josh that she is a witch? Also will Rory on Gilmore Girls become Jess's girlfriend and dump Dean? I know you probably can't answer those, but here is a question you can probably answer: is it fun to work in the T.V. business? I hope you write back to me.

Respectfully yours,

Joe,

Smallville in HD was awesome last night!

My wife and I really enjoyed it. The facial closeups and the outdoor scenes really showed the "looking through a window" capabilities of High Definition video

We were really blown away by the opening "tornado" scene and the sound was awesome.

There were some "pixelation" issues in the tornado scene, and it did not appear to be a local problem, but nationwide. This was likely due to the high bit-rate of the action scenes. Here is a link to a discussion of the Smallville presentation:

Dear Jeff Johnson,

Let me take this opportunity to thank you for sharing your uplifting message of hope. Our students and teachers were delighted with your presentation. Encouraging self-respect while sharing positive values is a fundamental and essential component in building good character. Thank you for sharing your enthusiasm, your faith and your message with our students.

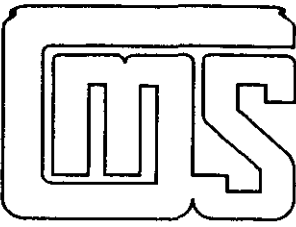

Your assembly presentation was not only an opportunity to spread a message of love and kindness, but a delightful EXPERIENCE of your LOVE for children. Your desire to impact children's lives in a positive and affirming manner was evident in your presentation, but MOST importantly in your "being" and in your "soul".

Every teacher and student comment, I received, was an affirmation of the wonderful job you did imparting a message of respect for self and for others.

Thank you for a wonderful Character Education assembly.

You made a MAJOR contribution to the two students who introduced you and I do not think you will ever know how much Bo needed that boost you provided. Thank you for helping a very special student!

Dear Jeff:

Thank you so much for helping make our Time Warner Heroes banquet so successful. Your comments were right on target with the theme of our evening. And, as usual, the students were thrilled you were there – of course, we adults were, too. I think this banquet is one of the most inspirational events sponsored by our Foundation, and your contributions made it even more so.

I would be remiss if I also didn't tell you how much we appreciate your visits in our schools. Your message is one that students can't hear too often, and you make it meaningful but fun for them to hear. I hope you can come back to Cleveland County Schools again soon.

Again, thanks for speaking at the Heroes banquet. All of Cleveland County will be able to see it as it is being aired several times on the local community access channel.

Dear Mr. Kerby,

There is a myriad of items we have to thank you for. We dearly appreciate your courteous, impeccable manners calling us long distance many times. We dearly appreciate you traveling to our school. We deeply appreciate the quality time you spent with our beloved students. You were so kind to give them the magazines and the toy tattoos. You have given them opportunities and memories that they will carry with them always. I am sure we have a future television producer in our student body due to your modeling your profession for them. Thanks a million for complimenting their murals. Thanks a million for putting their photographs and story on your website. We showed them their portraits on the classroom computer and they were thrilled. You gave them a very valuable and unique experience. A million thanks for all the money for our students. We are purchasing items to engender literacy and math growth, including safe, plastic compasses and tactile sponges with letters and numbers to paint with. I have also ordered plaster impregnated medical gauze, the kind physicians used to use to set casts. We will use this material to study anatomy, art, and science and to encourage future careers in art and medicine. We will also purchase books. You are encouraging children who are very underprivileged and you have given them the courage and strength to be successful. God Bless you for your warmth, kindness, generosity, and for your nurturing the cognitive and emotional growth of our students who would not have received that opportunity otherwise.

Dear Mr. Johnson,

There aren't any words in any language to express our gratitude for the magnitude of what you have done for our children. A million thanks for giving our children such charismatic attention and making them laugh. We are deeply appreciative of the time you took signing autographs for each and every child with all their names. A million thanks for making our children celebrities. Their faces lit up like fireworks when they saw their portraits and story on your website. You gave our school excellent publicity and a great deal of joy. I am sure there is a future television celebrity and public speaker in the student body due to your excellent modeling. Thanks a million for giving our children memories that will last a lifetime. A million thanks, also, for all the money you gave us for our students. We have purchased instructional materials that encourage reading, math, the arts, and art and medical careers. We have money from you for helping our students who are disadvantaged and do not have enough money for a field trip or glasses or their lunch bill. The local news station did give us television coverage, as did two newspapers and a newsletter that goes to every school employee. You have given our children a unique opportunity. They were the only children in the entire school system who could say that they were on a television webpage, our county webpage, and television all at once. We sent home a newsletter to all the parents about your kindness and profound generosity. We dearly enjoyed Mr. Kerby, also, and are sending a letter to him. We have so much in common. You mentioned your brother teaches at a college in New York City. I have cousins who are graduates of NYU and Columbia University. One has his doctorate in industrial psychology and another has her medical degree in podiatry. I am sure our children will enjoy this kind of success in the future. You showed them profound kindness and attention, as well as giving them such an enormous amount of money. You have truly planted seeds in our children that will grow into higher education and success. God Bless you.

As always, your visit to Salem Elementary School was a big hit with the students as well as the faculty and staff. You always seem to be able to motivate our school to make our Character Education program a big success.

Having a positive attitude is our yearlong slogan and goal for all of our students, and our entire staff as well. Your attitude is SO positive that it is bound to "rub off" on the rest of us.

Please continue to think of our school and our determination to make Good Character every bit as important as good academic performance. Dear Jeff:

I wanted to thank you personally and express my gratitude for you taking time out to come and be a part of our AngelFEST 2000 program Saturday at Shiloh Baptist Church. I know you have a very busy schedule, yet you always seem to find time to serve in so many different capacities within your community. You will never know how much it meant to so many of our "angel" that some of your magnitude would take time for them. I've enclosed a print of the article that ran in Sunday mornings paper. You helped impact over 75 children that many times fall through the cracks of society and are forgotten.

This will continue to be an annual back-to-school event in Union County and hope you would consider being a part of our festivities next year.

May God continue to bless you in all your ventures.

Congratulations on being awarded one of Rock Hill School District Three's prestigious CLASP Awards this year

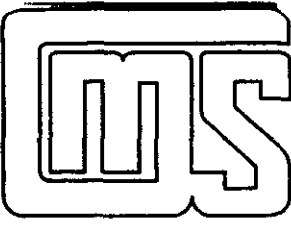

Volunteerism and service-learning are important values here at Winthrop University, and it inspires our students to see such examples of volunteerism and community involvement as those recognized at the awards breakfast. Surveys indicate over half our students engage in some form of volunteer activity each year, so it is clear the community standard that your organization is helping to create in this regard is contributing to the civic engagement of a new generation as well. Please extend our congratulations to all those in your organization who participated in these special activities.

On behalf of the fifth grade students, staff, and parents of Myers Park Traditional, I would like to thank you again for being the graduation speaker for our fifth grade class on May 31, 2000. That was a very special day for them, and your presence certainly added so much to the occasion.

Your remarks were very inspirational to them as they begin their middle school adventure. I especially appreciated the connection your remarks had to our emphasis on character development, especially respect, responsibility, and cooperation. It was good for our parents and students to hear that from someone away from school. Your comments on hard work, setting goals, and parental encouragement were right on target.

The Greensboro Youth Council would like to thank you for the support you gave to our organization for the GYC Carnival: Greensboro's Family Fair. Although the GYC Carnival has many exciting events happening during the week, including entertainment, food, and of course, the rides; the support of outside agencies such as yourselves, can determine the successfulness of our event. Your cooperative effort in the "Hurlie" Promotion was a huge hit even despite the weather. It is very important to the Greensboro Youth Council that we run special promotions to attract a wide variety of patrons. You really went above and beyond to help us do just that.

As you may know, the GYC Carnival is the Greensboro Youth Council's annual fundraiser, helping to support the many community service programs that we do throughout the year. In addition, over 200 high school students from Guilford County volunteer their time and talent to make this event happen and it is the largest, youth-run event in the state!

Happy New Year to you as well! And thank you for such great support of Big Brothers Big Sisters from WKKR Rock 92 and 107-5 WKZL. We greatly appreciate the public service announcements run on these stations. As you can imagine, a non-profit agency like ours could never afford to purchase the amount of advertising time you have donated.

Last year Big Brothers Big Sisters Services in Winston-Salem served more than 600 children from single-parent families. Our programs include community-based matches, our school-based Big Buddy program, and activities for children on our waiting list. Our need for volunteers continues, so your donation of public service announcements really does make a difference to our agency, and ultimately, in the lives of children in our community.

ATTENTION: Neil Matson

Just a short note to let you know that 147 volunteers attended our Volunteer Appreciation Night at the Natural Science Center. They guzzled ice cream, ohhed and ahhed about their door prizes and goody bags, laughed and generally seemed to have a ball. It was one of those perfect evenings that no one seemed to want to leave.

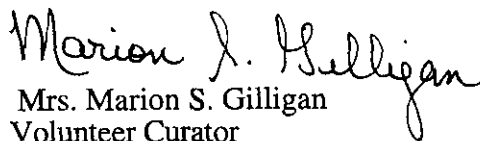

A lot of this atmosphere can be directly attributed to your generous contribution. Volunteers seemed to be flattered that community icons like your company cared enough to contribute to their special evening. Your donation of CD's and shirts was just perfect.

A list of sponsors was distributed and comments included: "I can't believe that ... donated this ... " "Did you see whose name was on that list" and "Boy, I'd like to work for (that company) when I get out of school." We think that many of our volunteers who represent such a cross section of the Triad were unaware of the terrific sense of collaboration and cooperation that exists in this area.

Volunteers at the Center range in age from 13 to 89 and come from a variety of socio-economic backgrounds. They share a common desire to give back to the community. We don't believe they realized -- until this special night -- that the feeling is reciprocal.

Again, please accept our sincere appreciation and thanks. We look forward to enjoying more opportunities to collaborate and hope you will keep us in mind if we can return the favor.

Dear Jeff:

Thank you for your contribution of \$1170 on 2/3/2003 as a result of your "Eight Minute Date" Fundraiser. I am constantly amazed by the array of gifts and contributions that come together to make this ministry a success. We are so grateful for that support and for what it makes possible.

2003 is shaping up to be a year with many challenges and rewards. The weather over the last several months has caused numerous delays and created engineering challenges in the preparation of our new development, Stonegate Crossing. But we remain optimistic that we can begin building there this spring. In the meantime, we have begun construction on nearby Central Avenue and Franklin Boulevard and are completing several homes in Eastside Park. We have been working hard in other areas of the organization recruiting and training future homeowners, developing new house plans for the Stonegate subdivision, recruiting new partners in the church and business communities and strengthening our efforts to increase giving from individuals

We are delighted to announce new partnerships with United Guaranty Corporation who will build a house to celebrate their 40th anniversary this year, Two Men & a Truck, who has graciously donated moving services for all of our homeowners this year and Time Warner Cable and WXII, working with us to develop and air an advertising campaign focused on our RE-STORE.

In the faith community, Guilford Park Presbyterian has contributed \$50,000 and will build one of the first houses in Stonegate this year. West Market Street United Methodist will build another, and others who have made a faithful commitment to work with us include College Park Baptist, Westminster Presbyterian, Centenary United Methodist and Christ United Methodist. We have strong interest emerging from a group of faithful members at Westover Church and look forward to involving them in our building ministry as well.

This month also brings us 57 college students who have made the choice to spend their Spring Break building houses with Habitat here in Greensboro. We'll have crews from Goucher College, Dartmouth College, the University of Iowa and Western Kentucky University. They will work side by side with our construction staff and our eight full-time Americorp volunteers. This kind of focused effort has an incredible impact on our building pace and we are grateful for their enthusiasm and commitment.

If you are interested in learning more about any of these efforts, please do not hesitate to contact us. We are always happy to hear from you. Again, thank you.

Sincerely,

We wanted to thank you for your role in the JDRF Walk to Cure Diabetes Saturday morning at Signature Place. Everyone made the best of being inside the crowded atrium and the walk itself was beautiful. We want to give a special thank you for making our daughter, Hannah McCurry of Hannah's Helpers, feel so special by taking the time to learn something about her, and making the comments that you did on the stage and again on the air this morning. She feels different all the time by being the only one in her classes who has to check her sugar levels and watch what she eats, so it was nice to see her feel so special.

Thanks!
Todd and Donna McCurry

Dear Jeff:

Thank you for making the 11th Annual Ice Cream and Music Festival the most successful one yet!

Thanks to your loyal support and donation of radio air time, ads, and live air time on Sunday the Festival netted over \$30,000 toward the educational programs of the Music Academy of North Carolina.

We hope you had as much fun as we did, and enjoyed being part of a community effort that supports and promotes high educational standards for the Triad.

We are already planning the 12th Annual Ice Cream and Music Festival. We are tentatively planning for a Sunday in mid-September (12th or 19th) at Guilford College. We hope that you will be a part of that festival too. Please submit the enclosed statement of intent, to reserve your spot early and to help us with advance planning.

Again, thank you for your involvement!

Sincerely,

Pam Allen

We are missing an 8' table from the event. Did anyone take it by mistake with your other supplies?

Keith....

Thanks a million for assisting Kernodle Middle School by being our Master of Ceremonies at tonight's Talent Show. You were Wonderful and the "Hit of the Show"! We made well over \$500 for local charities. Thank you and WKZL for your professional participation in our event! We will be listening for you "early" Saturday mornings.

Keep in touch with Ker-KNOW-dle.... We can't wait to hear you during the day or during the early evenings on KZL.....
